

...critically-acclaimed, award-winning original series that continue to make their mark on the cultural landscape.

HOMELAND Who's the hero - who's the threat? Golden Globe® winner Claire Danes and Damian Lewis star in the suspenseful Showtime Original Series HOMELAND. When rescued MIA Marine Sgt. Nicholas Brody returns home to a hero's welcome after eight years in torturous enemy confinement - volatile CIA officer Carrie Mathison is convinced he's a dangerous and determined traitor with terrorist intent. SHOWTIME has ordered season two of this award-winning drama series.

SHAMELESS It's summertime and the Gallaghers are cooking up fresh ways to bring home the bacon in a new season of the Showtime Original Series SHAMELESS starring William H. Macy and Emmy Rossum. Their ventures may not be moral - or even legal - but they certainly are outrageous. While Fiona works and parties at the hottest club in town, Lip, Ian, Debbie, Carl and Liam are getting into trouble of their own. And Frank is messing with the wrong people.

HOUSE OF LIES Don Cheadle and Kristen Bell are twisting the facts, spinning the numbers and playing corporate America for everything they've got in the outrageous new series HOUSE OF LIES.

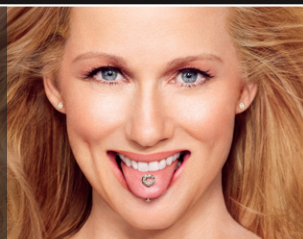

CALIFORNICATION Golden Globe® winner David Duchovny is back in a bangin' new season of CALIFORNICATION - and Hank Moody has become hip hop's most wanted. Rich and powerful rap mogul extraordinaire Samurai Apocalypse (Wu-Tang's RZA) is pimped-out famous - and hell bent on getting our bad boy writer into more trouble than he's ever known.

NURSE JACKIE Edie Falco returns in her Emmy®-winning role with a darkly comic new season of the Showtime Original Series NURSE JACKIE. Out of excuses, out of tricks, and out of control, Jackie Peyton finally has to seek help. But coming clean won't be easy. The new, sober Jackie's still got unmatched skills and a needlesharp wit - but as she's about to learn, the truth is a hell of a drug. With special guest star Bobby Cannavale, and guest stars Carmelo Anthony and Rosie Perez.

THE BIG C Laura Linney stars in her Golden Globe® Award-winning and Emmy®-nominated role as Cathy Jamison, a reserved, suburban wife/mother/teacher whose terminal cancer diagnosis forces her to shake up her life and find the light side of a dark situation. Academy Award®-winning Actress Susan Sarandon will be a special guest star in several episodes of the hit comedy.

THE BORGIAS Jeremy Irons returns as the ruthless Pope Alexander VI in the explosive new season of the Showtime Original Series THE BORGIAS. After exacting vicious punishment on those who opposed them, the Borgias are at the apex of their power. With the world around them embroiled in war and turmoil, the original crime family continues to exploit allies, and silence critics. But this time, the bonds of blood will be tested, as the house notoriously united against the world...becomes divided against itself.

DEXTER, stars Michael C. Hall in his Golden Globe® Award-winning role as Dexter Morgan, a complicated and conflicted blood-spatter expert for the Miami police department who moonlights as a serial killer. The show has received multiple Emmy® and Golden Globe® nominations for best television drama series, as well as a prestigious Peabody Award, and was twice named one of AFI's Top Ten television series. DEXTER has been picked up for seventh and eighth seasons.

EPISODES A husband and wife writing team bring their successful British television series across the pond to America. But in true Hollywood fashion, it becomes a laughable, clichéd sitcom - starring none other than Golden Globe® winner Matt LeBlanc. Matt not only messes with their show, he rocks the foundation of their relationship.

WEEDS Last time we saw the Botwins it was through the scope of a hitman's rifle. Nancy, sprung from the joint to New York City was doing what she does best - selling pot and making enemies. Now, everyone's wondering who put out the hit, and who was the target? Don't miss the explosive new season of the outrageous Showtime Original Series WEEDS, starring Mary-Louise Parker, coming this summer - only on SHOWTIME®.

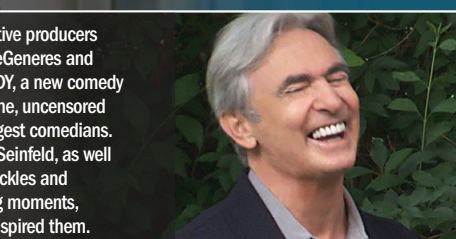

WEB THERAPY stars Emmy® Award-winning actress Lisa Kudrow as "Dr. Fiona Wallace," a self-professed psychotherapist who treats patients via webcam in weekly, three-minute sessions - a modality she believes more effective than the traditional talk-a-thons heralded by other mental health professionals. But instead of hearing her patients' issues, she spends more time interrupting and sharing meaningless personal data.

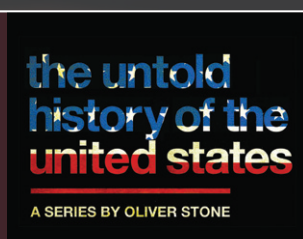

THE REAL L WORD SHOWTIME has ordered a third season of THE REAL L WORD. Nine new episodes of the controversial, unscripted series that intimately follows a group of high-profile lesbians living uncensored before the cameras, began production in Los Angeles and New York in early 2012.

INSIDE COMEDY From executive producers David Steinberg, Steve Carell, Vance DeGeneres and Charlie Hartsoc comes INSIDE COMEDY, a new comedy documentary series featuring one-on-one, uncensored interviews with some of the world's biggest comedians. Chris Rock, Ellen DeGeneres and Jerry Seinfeld, as well as comedy legends Mel Brooks, Don Rickles and Jonathan Winters, share career-defining moments, personal struggles and the idols who inspired them.

THE UNTOLD HISTORY OF THE UNITED STATES Academy Award®-winning director Oliver Stone has created and is producing a new, twelve episode documentary series entitled THE UNTOLD HISTORY OF THE UNITED STATES. Narrated by Stone, the series will feature episodes that focus on human events, that at the time went under-reported, but crucially shaped America's unique and complex history over the last 60 years.
