SHOWTIME ORIGINAL SERIES

SHAMELESS

New Season

SUNDAY 9PM ET/PT

Frank Gallagher is the proud single dad of six smart, spirited and independent kids, who without him would be...perhaps better off. The brilliant William H. Macy and Emmy Rossum star in this wildly engaging and fearlessly twisted series.

HOUSE OF LIES

New Series

SUNDAY 10PM ET/PT

A scathing, Corporate America-skewering comedy about a self-loathing management consultant (Don Cheadle) from a top tier firm who is never above using any means (or anyone) necessary to get his way with and for his clients. Kristen Bell also stars.

WEEDS

Pot-selling single mom turned danger junkie Nancy Botwin has been dodging disaster since day one, but she's always had a special talent for manipulating her friends, her family, and even the law to her advantage. And the more desperate things become, the more she's ready and willing to take desperate measures—no matter who she'll have to take with her.

EPISODES

A husband and wife writing team bring their successful British television series across the pond to America. But in true Hollywood fashion, it becomes a laughable, clichéd sitcom—starring none other than Matt LeBlanc. Matt not only messes with their show, he rocks the foundation of their relationship.

CALIFORNICATION

New Season

SUNDAY 10:30PM ET/PT

Famed novelist and New York City transplant Hank relocated to LA after his acclaimed book was optioned, only to see it turned into a crappy romantic comedy. Since then he's struggled to get his career and relationship with on-again/off-again girlfriend Karen back on track, while trying to raise his rebellious teenage daughter, Becca.

THE BORGIAS

This one-hour drama series is based on the infamous Italian Renaissance family, The Borgias. Oscar®-winning actor Jeremy Irons stars in the epic drama series as Rodrigo Borgia, the cunning, manipulative patriarch of The Borgia family who ascends to the highest circles of power within Renaissance-era Italy.

DEXTER®

Dexter Morgan, Miami Metro Police Department blood spatter analyst, leads a double life. When he's not helping the homicide division solve murders, he satisfies his dark desires by hunting and killing bad guys who slip through the cracks of the criminal justice system.

HOMELAND

A taut psychological thriller about a volatile CIA officer (Emmy®-winner Claire Danes) who becomes convinced that a recently rescued American POW may be connected to an al Qaeda plot to be carried out on U.S. soil. Damian Lewis and Mandy Patinkin also star.

NURSE JACKIE

Edie Falco is back in her Emmy®-winning role with a bitingly funny new season of the Showtime® Original Series, NURSE JACKIE. If her husband and best friend think one little intervention's going to put an end to her pill-popping ways, they don't know Jackie.

THE BIG C

Golden Globe® Winner Laura Linney stars as a woman who has always played by the rules. That is, until she finds out she's got cancer. But instead of giving up—Cathy decides to live it up.
