

SHOWTIME AND ITS CRITICALLY-ACCLAIMED, AWARD-WINNING ORIGINAL SERIES CONTINUE TO MAKE THEIR MARK ON THE CULTURAL LANDSCAPE.

And SHOWTIME Original Series continue to raise the bar with a deep roster of award-winning stars headlining the network's programming.

HOMELAND stars Emmy® and Golden Globe® Award winner Claire Danes, Emmy® winner Damian Lewis, and Emmy® and Tony® Award winner Mandy Patinkin. As the situation at home and abroad escalates, Carrie and Brody's worlds collide yet again, deepening a relationship built on lies, suspicion and longing. Whoever gains the upper hand in this dangerous pairing, neither Carrie nor Brody will come out of it unscathed.

DEXTER stars Michael C. Hall in his Golden Globe® Award-winning role as Dexter Morgan, a complicated and conflicted blood-spatter expert for the Miami police department who moonlights as a serial killer.

HOUSE OF LIES stars Don Cheadle in his Golden Globe® Award-winning role as Marty Kaan, the big-money earner at Galweather & Stearn. He is the ultimate power player and under his direction, his ruthless, pull-no-punches team is here to beat the corporate suckers at their own game.

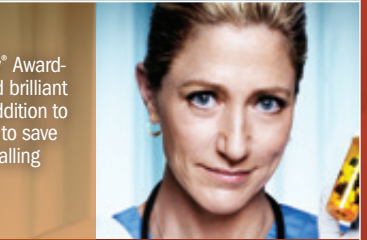

SHAMELESS stars Academy Award® nominee William H. Macy, as patriarch Frank Gallagher, and Golden Globe® nominee Emmy Rossum as his daughter Fiona, who typically bears the de facto parent badge/burden for the family. As usual, the motley Gallagher brood somehow manages to hold down the fort and make sure the bills are paid, the lights are on and there is food on the table.

MASTERS OF SEX is a one-hour drama starring Emmy® and BAFTA® Award nominee Michael Sheen and acclaimed actress Lizzy Caplan, who portray the real-life pioneers of the science of human sexuality, William Masters and Virginia Johnson. The series chronicles the unusual lives, romance and pop culture trajectory of Masters and Johnson. Their research touched off the sexual revolution and took them from a mid-western teaching hospital in St. Louis to the cover of Time magazine.

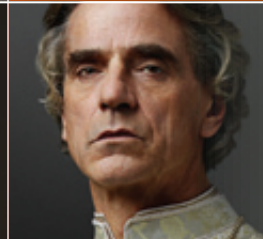

NURSE JACKIE stars Edie Falco in her Emmy® Award-winning role as Jackie Peyton, a strong-willed and brilliant – but very flawed – emergency room nurse. In addition to finally confronting her addiction, Jackie attempts to save her troubled marriage and keep her family from falling apart.

RAY DONOVAN is a one-hour drama set in the sprawling mecca of the rich and famous. The series stars Emmy® and Golden Globe® Award nominee Liev Schreiber, in his first lead television role, as the go-to guy who does the dirty work for L.A.'s top power players and makes the problems of the city's celebrities, superstar athletes, and business moguls disappear. This powerful family drama unfolds when his father, played by Oscar® winner Jon Voight, is unexpectedly released from prison, setting off a chain of events that shakes the Donovan family to its core.

THE BORGIAS, a one-hour drama series based on the infamous Italian Renaissance family, stars Oscar®-winning actor Jeremy Irons in his Golden Globe®-nominated role as Rodrigo Borgia. The cunning, manipulative patriarch of the Borgia family ascends to the highest circles of power within Renaissance-era Italy and builds an empire by bribing, buying and muscling his way into the papacy.

CALIFORNICATION stars David Duchovny in his Golden Globe® Award-winning role as hedonistic novelist Hank Moody, who is co-parenting his college-aged daughter Becca, while still carrying a torch for her mother, his ex-girlfriend and muse Karen.

EPISODES stars Matt LeBlanc in his Golden Globe® Award-winning role as a fictional version of himself. The series centers around Sean and Beverly Lincoln, a husband-and-wife producing team who are forced to navigate the many pitfalls of the Hollywood television business. When their successful British show is brought to America, the U.S. network insists on making the show more audience friendly by casting...Matt LeBlanc.

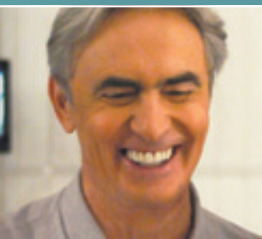

THE BIG C: hereafter stars Laura Linney in her Golden Globe® Award-winning and Emmy-nominated role as Cathy Jamison, suburban wife, mother, and teacher whose cancer diagnosis forces her to shake up her life.

WEB THERAPY stars Emmy® Award-winning actress Lisa Kudrow as "Dr. Fiona Wallace," a self-professed and self-serving psychotherapist who treats patients via webcam in three-minute sessions. Season three will feature guest stars Matt LeBlanc, Meg Ryan, Chelsea Handler, Megan Mullally, Nina Garcia, Mae Whitman and Jesse Tyler Ferguson among others.
