## ORIGINAL SERIES

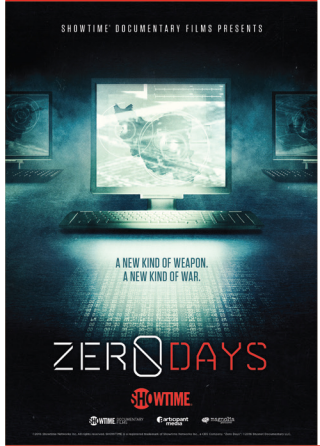

Nothing that came before can prepare you for the unpredictable new season of THE AFFAIR. Betrayal was only the beginning for Noah, Alison, Helen and Cole – and now they all must face their past actions and darkest motives in order to move on and rebuild their shattered lives. With an unexpected turn of events, they are drawn even further into the web of danger and deceit. Starring Dominic West, Ruth Wilson, Maura Tierney and Joshua Jackson, the Golden Globe® winning drama, THE AFFAIR.

The acclaimed SHOWTIME® Original Series SHAMELESS returns featuring the latest outrageous exploits of the one-of-a-kind Gallaghers. Nothing comes easy to this unrefined and wildly unapologetic family – but while they may not have much in the way of money, for better or worse they'll always have each other! William H. Macy and Emmy Rossum star in the hilarious comedy, SHAMELESS.

The seventies are in full swing and experimenting with new partners, new positions and new ideas is all the rage. Acclaimed sex researchers Dr. William Masters and Virginia Johnson should be celebrating but their clinic is in legal trouble, their personal lives are in tatters and their relationship is on the rocks. Have they gone too far to ever be able to come together again? The critical hit series MASTERS OF SEX, starring Michael Sheen and Lizzy Caplan.
